1. [Positive] For younger viewers, they might not understand the impact of "Shrek" on the film industry and CGI movies. However, being an older guy, I remember how groundbreaking and amazing the computer animation ...
2. [Positive] I'm an old dude, 75 to be exact, and in my working days I was everything from a mainframe programmer to a HiTech startup Tech Admin. This sentence is here only to show why I am interested in the produ...
3. [Positive] A movie suitable for children, but really made for an adult audience. It's funny, has many quotable catchphrases and teaches us so much. It shows us that love has no limits, that you can find love whe...
4. [Negative] This movie really confronts the problems with society, such as the opioid crisis, domestic abuse, and donkey mistreatment head-on. It was a great way to talk about these issues with my teenage son....
5. [Positive] The originality of this cinematic masterpiece is striking, as it exxxpertly blends layers of popular Indo-European fairytale culture with a creative, meaningful yet comedic story of discrimination, va...
6. [Positive] 9 OUT OF 10!!!! We went to catch the matinee preview of "Shrek". We were still giggling by the time we got home afterwards. Two hours later, we dragged a friend out and went back for the evening show....
7. [Positive] Shrek is completely new. Never has a fully CGI movie taken on the twists, turns, and surprises as Shrek has. It's a full parody of numerous fairytales, and its humor is, well, humor at its best. Gr...
8. [Positive] I did not get to see this in theaters though my family got the movie on DVD that fall and it was one of my first DVD movies. The cast was excellent, especially John Lithgow and Mike Myers and the visu...
9. [Positive] The Simpsons has been one of my favorite TV shows, and for the same reason that I like the

Simpsons is what makes Shrek so good. The Simpsons takes the children-only medium of cartoons and makes an ad...

10. [Positive] I saw this movie at a screening recently. It was a delightful movie with something for everyone. I think it will be as big a hit as "Toy Story I and II." The computer animation is so realistic that...

11. [Positive] There was little to no story, and what was presented as a story in the advertisements was done away with at the very beginning of the film, I doubt that Shrek will hold this high of a rating for a long...

12. [Neutral] I don't think humanity will ever create something that surpasses Shrek....

13. [Negative] How dare you triflin a** b**** give this master piece a 7.8/10 rating. if you give this anything less than 9 stars, we can fight in the taco bell parking lot...

14. [Positive] Shrek is a green ogre who lives in a swamp, but his king sends him on a mission which he must complete to get his own land back. You only have to watch ten minutes of this film to realise that this is ...

15. [Positive] Shrek is one hell of an animated ride, and right when you're certain you know where to expect the next gag it one ups you. If you need a reason to see Shrek, here is that reason: imagine Eddie Murphy ...

16. [Positive] I love this movie i watch it ever day teh soundtrack is so good i know the script.

This movie butters my apricots and waters my toast. i named my firstborn son Shrek and he is depressed but then he wa...

17. [Positive] Once upon a time - not too long ago - a writer had an idea to write a fairy tale made up of various fairy tale characters. And thus, a franchise was born. You can't help but love 'Shrek' - the characte...

18. [Negative] Shrek has hidden messages that will likely sail right over the heads of its target audience. The resettlement of the fairly tale creatures in the villainous Farquaad's (ruthless and cruel Anglo-Saxon)...

19. [Positive] "Shrek" is fun. People who haven't seen this movie, and are wary of seeing what's popular, should give it a try. It's worth watching, and will probably win you over. Taking a Fractured Fairy Tale appro...

20. [Positive] The movie Shrek created in 2001 was definitely one of dream works more eye opening children's films. It is filled with hilarious components for children but also there are some more adult jokes snuck ...

21. [Positive] Shrek is a movie like no other. It stands alone in its appeal to people of all ages and in its presentation of comedy, romance, and creative story line. Shrek is a delightful comedy about a crude og...
